DAHLIAS and GLADIOLUS

FROM THE

Whitehouse Dahlia Gardens

Whitehouse Station, N. J.

CHARLES C. DEWILDE, Proprietor

NEW DAHLIAS FOR 1929

Name and Color

Plants Tubers

C. Golden Sunshine—This is one of the finest Dahlias in cultivation. The color combination is a striking yellow center. Outer petals salmon pink. It shows fine under the light. Good stem, good keeper. Wonderful for exhibition. Size of flower from 7 to 8 inches. Tubers limited \$2.50 \$5.00

H. C. The Glen—A full centered ⁸puff color. Extremely free bloomer of good size. Stem perfect. Great keeping qualities, either on the plant or exhibition table. Of tall growing habit, rigid stems, stock limited 5.00 10.00

D. Rising Sun—One of the finest in color. A rich orange of a large size, good strong stem, a free bloomer, a good keeper. It shows up good under the light. Stock limited 5.00 10.00
